

### Site address

310 Bunnerong Road, Hillsdale NSW 2036

### Site type

Public School

## Site description

- Matraville Public School operates 5 days per week with an exclusively daytime load comprising mainly of a HVAC system and lighting.
- Matraville Public School installed this system ontop of an already present solar PV system in an effort to further reduce electricity bills.

## Our solution

- Installed a 2.9 kW Solar PV System, consisting of 10 x 290W poly-crystalline modules.
- Tilt mounting system to maximize the cost-effectiveness of the system.
- SolarEdge System Monitoring

## Results

**\$ \$658**  
estimated annual savings

**⚡ 4165 kWh**  
Annual Electricity Consumption Reduction

**🌳 3.65 Tons**  
Annual CO<sub>2</sub>e Reduction Equivalent
